IMPORTANT DISCOVERIES. - The New York Herald says that Dr. Henry Schliemann has sent the following dispatch to the King of Greece, under date of Nov. 28 1876:

With unbounded joy I announce to Your Majesty that I have d servered the monuments which the tradition related by Pausanius icdicates as the tombs of Agamemnon, Cassandra Eurymedon and their companions who were killed while feasing at a banquet by Clytemnestra and her lover Æ disthus.

These tombs are surrounded by a double

parallel circle, with tablets undoubtedly erected in bonor of the victims. In these tombs I have found immence are appogical treasures and numbers of articles of pure gold.

The treasure alone is sufficient to fill a large museum, and the most splendid in the world. In succeeding ages I am sure it will attract to Greece thousands of strangers from abroad. As I am laboring simply for the love of science I waive all claim to the treasure and offer it, with intense enthusiasm, entirely to Greece. Sire, may these treasures, with God's bless-

ing, become the corner stone of an immense national wealth.
